

NEIGHBORHOOD NIGHT WEEK OF THE 5TH

SIGNS + SKILLS OF THE LAST DAYS PART 5

Matthew 24:3-5, 11, 24

QUESTIONS:

- 1 Deception is one of the first signs of the last days. The Bible says that deception will be so strong that even Christians have the potential to be deceived. What steps are you taking to keep yourself from being deceived? How do we keep our discernment in alignment with Jesus and His Word?
- 2 The words we say are very powerful and we can be deceived by them when we speak to our attractions, temptations and vulnerabilities. Share your attractions, temptations or vulnerabilities. How can you be held accountable for them and how can you help hold others accountable from being deceived by them?
- 3 The enemy tries to deceive us with our thoughts. What are some deceptive thoughts the enemy has used against you? What practical ways can you protect your mind and your thoughts from the enemy?

CHALLENGES:

- 1 Read 1 Corinthians 15:33. One way Christians can be deceived is by hanging around others who do not live in alignment with God's Word. Examine your life and the relationships closest to you. Ask God if there are others in your life that are corrupting your good morals and habits. If so, how can you safeguard yourself from deception?
