

# NEIGHBORHOOD NIGHT WEEK OF THE 14TH

HIS NAME IS IMMANUEL

*Isaiah 7:14 Matthew 1:23*

## QUESTIONS:

- 1 "Immanuel" means "God with us". God is not far, distant or separated from us. Do you believe God is always with you? Explain why or why not. What Bible verses help you know God is always with you?
- 2 Without Immanuel in your life there is no purpose, progress, pleasure, or pursuit in life. What practical ways can we include more of Jesus in our lives? What personal steps can you take today to make more room for Jesus?
- 3 God is equally with us in our best and in our worst days because He has made a commitment to us. When others fail us, God never will. Share how you've seen God with you, even when others weren't. How can you encourage others who feel alone or let down by others?

## CHALLENGES:

- 1 When you have a revelation of who Immanuel is, you will walk boldly and confidently, even in your toughest moments. Spend time asking God for a greater revelation of how he is always with you. Consider sharing this as a testimony to someone who feels lonely or doubts God is with them.
- 2 Share a picture of your Neighborhood Night group and post it on social media with the hashtag #ALFCNEIGHBORHOODNIGHT.
